

System Director, Finance & Accounting – Health System in Tampa

BayCare Health System, the region's largest health care provider located in Clearwater and serving the Tampa Bay area is seeking to find a **[System Director, Finance & Accounting](#)** to oversee all centralized financial accounting and reporting functions for the entire BayCare Health System. The system has 14 hospitals, over 700 employed physicians, numerous ambulatory facilities and services, and over 26,000 employees.

Key areas of responsibility will include accounting/general ledger, financial statement preparation, fixed asset management, payroll, accounts payable, tax, GAAP compliance, external and internal audits, and the financial analytics to support the system's self funded insurance products. This key leader will collaborate with other members of the finance division and will report directly to the Vice President of Finance.
