

The **Controller** at Coffeyville Regional Medical Center in Coffeyville, Kansas is the finance leader for their medical center, outpatient services and clinics. This key leader will report directly to the CEO and be responsible for the accounting, general ledger, budget, accounts payable, payroll, HIM, business office/revenue cycle, reimbursement, and managed care contracting. This is a great opportunity for an individual to develop best practices across various departments within an organization that is highly committed to providing the highest level of patient care in their region.

Coffeyville offers an excellent quality of life and an affordable cost of living and is known for being very family-friendly. The state of Kansas, as an incentive for relocation to non-urban areas of the state, is offering new residents a five year, zero income tax credit.
