

System Manager – Technical Accounting

Full Job Title: System Manager - Technical Accounting

Job Number: 16011817

Facility: SSM Health - System Office

Location: St. Louis, MO

Shift: Day Job

The System Manager – Technical Accounting serves as a key member of the System Finance department of SSM Health Care Corporation.

- Provides technical accounting expertise throughout the system. Researches and interprets new accounting pronouncements and statements of position. Serves as a subject matter expert on US GAAP.
- Writes memos and white papers describing the GAAP rules and how they apply to SSM; includes documenting specific transactions to ensure compliance with GAAP.
- Documents and rolls out technical accounting policies. Manages the development and communication of new system wide policies.
- Monitors financial statements regularly to ensure they are consistent with US GAAP and with SSM's internal accounting policies.
- Maintains policy log. Assists in ensuring SSMH Standard Accounting Policies and Procedures (SAPPs) and other System level financial policies are reviewed and updated annually.
- Regularly identifies and recommends systems and procedures for potential process improvement, and uses CQI techniques to resolve them, acting as a team leader, facilitator or team member, as appropriate.
- Assists in implementations.
- Supervises or performs special projects or duties as assigned.
- Manages the centralized federal awards and grants program and coordinates the annual system SEFA audit.
- Stays within budget by managing projects appropriately.

Qualifications

- A bachelor's degree in accounting or finance from an accredited college or university.
- Licensed as a Certified Public Accountant.
- Five years public accounting experience.
